SPECIALTY SERVICES for LOW INCOME ADULTS

The following list of resources by county contains providers who deliver or arrange for delivery of some specialty care for adults on a sliding fee scale or reduced charge basis. Starred items (*) indicate organizations that screen & refer to direct service providers.

Federally Qualified Health Centers (FQHC) contract with specialists and these specialties can change. Call to find out the current specialties available.

Patients should call the provider first to request the specialty service, set up an appointment date and get information on what documentation is needed to prove the need for a sliding fee.

For resources in Baltimore City, please refer to **The Consumer Guide to Low Cost & No Cost Health Care & Resources in Baltimore City**, developed and maintained by Baltimore Health Care Access, Inc. The guide can be ordered by calling 410-649-0500.

A list of hospitals that provide financial assistance is included at the end of this document.

This resource information has been verified for accuracy upon date of completion and is provided as a convenience and for informational purposes only. It is recommended that contact be conducted with the agencies for confirmation of services, programs available and the determination of fees. There is no endorsement for agencies listed outside of the Department of Health and Mental Hygiene.

Any questions or concerns regarding this resource guide, please call 410-767-2796.
